

# TargetMaster Range Rules

**Range Fee is charged per Person that Enters the room  
-even if you do NOT shoot.**

**All Magazines Must Be Unloaded for AMMO Inspection**

- Always** Treat all firearms as though they were loaded
- Always** Keep the muzzle pointed down range - ALWAYS
- Always** Keep your finger outside the trigger guard until you are ready to fire
- Always** Be sure of your target and what is behind it
- Always** Use ONLY the lane that is assigned to you
- Always** Keep firearms cased or holstered anywhere but the firing line
- Always** Case & Uncase all weapons in the firing booth, never behind the **red line**
- Always** Stay between the booth walls while firing, both you and the gun
- Always** Load only inside the booth at the firing line on the table in front of you  
You and your Guns must be **FORWARD** of the **RED Line** at all times
- Always** Use ONLY our ammunition in our Rental Guns
- Always** Use your sights, both front and rear (or functioning optic)
- Always** Wear Hearing protection while on the range
- Always** Use paper or cardboard targets ONLY
- Always** Collect only your brass or sweep it forward and throw your trash away

## NEVER:

- Never** Bring firearms that are malfunctioning out of the range
- Never** Disturb the other shooters while on the range
- Never** Shoot Class III weapons on burst or auto fire
- Never** Rapid Fire in an uncontrolled manner, No Binary Triggers, No FRTs
- Never** Shoot from the hip or bump fire(bump stocks) a weapon
- Never** Draw from a holster without prior approval from staff
- Never** Shoot any target except the one directly in front of you
- Never** Go down range or cross the firing line
- Never** Throw trash in front of the firing line – **trash cans are located behind you**
- Never** Bring alcohol on the property or consume it before coming here
- Never** Smoke on the range – cigarette ash can cause fires
- Never** Shoot rifles on the pistol range (Rimfire and rifles in 9mm etc are ok)
- Never** Shoot pistol calibers larger than 44 magnum on the pistol range
- Never** Shoot 50 BMG on either range
- Never** Use any projectiles with steel, bimetal or tracers (copper & lead FMJ is ok)
- Never** Use slugs or steel shot in shotguns
- Never** Use black powder weapons

**Continued on Back**

- \* We reserve the right to inspect and disallow any ammo or firearm from the range
- \* People who have never shot a firearm before will need to have someone who is experienced with firearms to directly supervise them for their first time.
- \* No non-staff commercial instructors are allowed
- \* Anyone under the age of 18 needs to have an adult **DIRECTLY** supervising them at all times while on the range and in the store.
- \* In the event of a problem, TargetMaster staff may call a ceasefire.
- \* Everyone over the age of 18 years old is required to provide a valid (nonexpired) primary governmental photo ID card. (ie... Drivers License, State ID card, Passport)
- \* Payment for all goods and services are due at the end of the shooting session.
- \* **Range Fee is charged per Person that *Enters* the room-even if you do NOT shoot.**

We reserve the right to remove or bar anyone from the range.

If you see someone behaving in an unsafe manner, get a TargetMaster staff member **immediately** - these rules are for your protection as well as ours.

### **Instructions for how to use the range equipment:**

Please sign the liability release on the clipboard before leaving the counter.

Go only to your assigned lane number

- If for some reason that lane isn't available, see a staff member

**Pistol Range:** Targets attach to the carrier by binder clips screwed into the backside of the faceplate; there are two – one in each corner

There is a control panel on your left side:

**There are 6 Toggle Switches** ----->

- Bottom switch controls target carrier – push it away to send the target downrange and release the switch when it is at the desired distance, opposite to return it. Please don't let the carrier slam front or rear.

**Rifle Range:** Tape your target on the carrier at eye level but under the **black line**.

←---- There is a control panel on your left side:

When you are finished, please either collect only your brass or sweep it forward and throw your trash away in the trash cans that are located behind you.
